

# SUPERGRINDZ

## Grinder Cleaner for Superautomatics

- The first grinder cleaner designed for use in superautomatics
- All-natural cleaning tablets remove coffee oils and buildup from burrs
- Helps improve particle size distribution and remove bitterness from stale coffee oils that may remain in burrs
- Hydrophobic formula allows for safe and convenient use in superautomatic espresso machines as well as in espresso and shop grinders
- Available in a 330 g jar (12 uses)

---

### Instructions For Use:

1. Remove all coffee from the bean hopper
2. Brew 2 large cups of coffee to use up all remaining beans in the grinding chamber
3. For superautomatics, add 26 g (1 full cap) of SuperGrindz
4. After adding the SuperGrindz, add 78 g of coffee (3 full caps) to the hopper
5. Brew 5 large cups of coffee, or until the pucks no longer contain traces of the SuperGrindz tablets

Product	Case Code	Unit	Units Per Case
SuperGrindz	17-A01-UX330-12	330 g jar	12
